**73/18 CORRESPONDENCE -**

Coun Grocock – LRSP are keen to work with South East Lincolnshire regarding speeding. The three District Councils for the Moulton ward have decided to purchase speed guns for all of their parishes and thinks Couns King, Johnson and Wray should do the same. None of the District Councillors were willing to donate to this project and none of the Parish Councillors were prepared to testing for speeding motorists. Coun King had contacted Lloyds and although will continue, it does appear a fete accompli.
